## **The Liberty Group Opens Larger, More Convenient Austin Location**

*Apartment Staffing Leader Relocates to The Domain in Northwest Austin*

Austin, Texas (June 23, 2014) - Apartment industry professionals know how important location is. The Liberty Group, a leading national apartment staffing firm, is pleased to announce its move to The Domain, one of the hottest commercial locations in Austin. With nearby high-end shopping, fine dining, and easy access from major highways, this relocation positions The Liberty Group to better serve its Austin clientele.

Shonna Schneider, Austin Branch Manager for The Liberty Group, says the move was driven by the company's remarkable growth over the last five years. "Since entering the Austin market in 2009, The Liberty Group has quickly become a leader in the local apartment industry. Our employees know multi-family backward and forward, allowing us to better serve our clients and our candidates. Our move to a larger space is a testament to our industry-leading staff."

The new office space features a dedicated training facility where the company offers free or low-cost courses tailored to the needs of the apartment industry. For example, the free Leasing 101 class teaches the basics of apartment leasing while Maintenance Certification Training prepares Maintenance Technicians for the EPA Universal Certification test.

The Liberty Group's new location is a short drive from anywhere in the Austin area. The office is roughly a mile from three major highways (MoPac, Highway 183, and Highway 360) and only three miles from Interstate 35.
